**Email:** chrystal@hotmail.com.sg

**School:** Nan Chiau Primary School

**Interests:** Surfing Internet, Reading, Drawing, Music, Badminton

# Learn How To Learn (LHTL) Mathematics Lesson

**Date/Day** : 13 May 2006, Saturday  
**Time** : 9.00 – 10.30 a.m.

## What I learnt in this lesson:

<b>Topics</b>	<b>Details</b>	<b>Remark</b>
Review	<i>Learn about Numbers to 1000</i>	
Games	<i>Play memory game</i>	
Objective	<i>To understand the concept of more than, less than using Model Spell words from one to one thousand</i>	

## My teacher comment on my progress so far:

OK, can improve further       GOOD       EXCELLENT

### Other Comments to my parents/me

*Generally, she did well for this topic. However, it would be good to use model to solve more than and less than questions.*

*Do worksheet page. 1-2*
